

Certificate of Conformity of the Factory Production Control

This is to certify that:

Poundfield Products Ltd
The Grove
Creting St.Peter
Ipswich
IP6 8QG
United Kingdom

Holds Certificate No:

0086-CPR-606470

In respect of:

EN 15258:2008 - Precast concrete products. Retaining wall elements.

EN 15037-1:2008 - Precast concrete products. Beam and block floor systems. Part 1: Beams.

EN 14992:2007 - Precast concrete products. Wall elements.

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the above construction product.

This certificate attests that all the provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the above standards under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above.

For and on behalf of BSI,
a Notified Body for the above Regulation
(Notified Body Number 0086):

Gary Fenton, Global Assurance Director

This certificate remains valid as long as the test methods and/or factory production control requirements included in the harmonised standard(s), used to assess the performance of the declared characteristics, do not change and the product(s), and the manufacturing conditions in the plant(s) are not modified significantly.
